

World Class  
Pitcher and Instructor

Bill Hillhouse

**Who is Bill Hillhouse?**

Bill is one of the premier men's fastpitch pitchers in the country. He has competed internationally and served twice on the Men's National Team. Bill coaches and instructs, not only across the country, but in other countries as well (Denmark, Bahamas, Panama, and the Dominican Republic just to name a few).

**What can we expect at the clinic?**

Bill will cover pitching mechanics, understanding pitching styles, troubleshooting mechanics, the difference between correct and incorrect drills commonly used by pitchers and pitching coaches, pitching demonstrations, and a question and answer session. This is an awesome opportunity for pitchers, parents, and coaches of Hawaii to learn and talk story with one of the elite pitchers and instructor in the nation.

Visit Bill's website at [HouseOfPitching.com](http://HouseOfPitching.com)
